

Requests based on the Emergency Measures

- ① Area : Entire Osaka Prefecture
- ② Period : During the period when the emergency measures should be taken (August 2 to 31, 2021.
Request details are to be re-considered depending on the situation of the infection spread)

③ Measures: Described below:

● Calling on residents (Based on the relevant law)

- Refrain from non-essential and non-urgent outings※
 - ※Necessary activities for daily and healthy lives such as going to hospital, shopping for food/medicine/ daily necessities, essential commuting, and outdoor exercise/walking are excluded.
 - ※Especially, stay home after 8:00pm. When you need to go out, act with your family or friends you usually stay with and keep your group as small as possible, avoiding crowded places and peak times.
- Refrain from non-essential and non-urgent travel across prefectures such as homecoming visit and leisure trips as much as possible
 - ※ In case of the essential travel, take thorough infection prevention measures and have PCR-tested before departure or at the destination.(Osaka residents: Based on the relevant law. Other than Osaka residents: Request for cooperation NOT based on the law)
- **Strictly refrain from using eateries that offer alcohol and/or karaoke against the request.**

- Refrain from drinking alcohol in a group on the street or in a park
- Be tested as soon as possible if you have any symptoms.
- Enjoy Olympic and Paralympic Games at home.

● Requests to universities, etc. (Based on the relevant law)

- **Thoroughly inform students that they must refrain from the following behavior.**
 - **Joining any activities that have a risk of causing infection clusters such as club activities and those where many people gather, and dining in a large group before/after the activity**
 - **Making a trip (including a camp) and holding a drinking party at their/their friend's home**

- **Thoroughly raise students' awareness about infection prevention measures in the dormitories**

- **Thoroughly inform students that they must refrain from coming to school and attending any activities in case they have any symptoms such as fever.**

- **Provide online lessons in principle in order to reduce human contact as much as possible. If it's difficult, avoid closed or crowded situations by taking measures such as dividing a class into small groups and using large classrooms, etc.**

Requests to the economic communities (Based on the relevant law)

- **Aim to reduce over 70% of employees' commuting by thoroughly implementing teleworking**
 - **Each business operator should announce the implementation status of the above policy to promote the efforts.**
 - **Even when commuting, strongly promote efforts to reduce contact with others such as rotation of shifts staggered working hours and bike-commuting.**
 - **Refrain from conversation without a mask in the places such as a resting room, a smoking room and a locker room.**
-
- Promote teleworking or staggered working hours, in particular, for employees stated below:
 - Employees with the high risk of aggravation such as senior citizens or those who have underlying diseases
 - Pregnant employees
 - Employees who have a family member applicable to the above conditions
 - Refrain from working after 8:00pm unless it is essential for continuing business operation
 - Turn off the outdoor lights (excluding the ones necessary as anti-crime measures) at night.
(Request for cooperation NOT based on the law)
 - Comply with each industry guidelines

● Event Holding (including the ones hosted/co-hosted by Osaka Prefecture)

(Based on the relevant law)

➤ Organizers are requested to obey the following restrictions.

① 【Maximum capacity ※ 1】 Within 50% and ② 【Maximum number of people※ 1】 5,000;
【Shortening business/opening hours】 Until 9:00pm※ 2

※ 1 Meet the smaller condition of ① or ② above (Both conditions must be met.)

When the maximum number of people is not set, enough distance between people (1m) should be secured.

※ 2 Food and beverages can be provided until 8:00pm. Refrain from offering alcohol (including the carried-in by users) and/or karaoke

(Request details when holding events)

- ◆ Thoroughly comply with each industry guidelines and take through infection prevention measures to avoid “Three Cs” and eating/drinking before and after the event.
Thoroughly inform participants that they must come straight to the venue and go straight back to home.
- ◆ Take thorough tracing measures such as introducing COCOA(Contact-Confirming App of the national government), Osaka COVID-19 Tracing System, or making a participants’ name list.
- ◆ When holding an event that needs nationwide travel or the one in which over 1,000 people participate, consult Osaka Prefecture beforehand about the holding conditions of the event.
