Overview of Osaka One-Stop Business Service Desk

In alignment with the opportunity of EXPO 2025, our service aims to help international counterparts who are planning business delegation visits to Osaka, and also promote business exchanges with Osaka-based companies.

Support for Holding Business Event

Provision of necessary information for hosting events (e.g., offering venue options)

Promotion of event details to Osaka companies

Support for Visits to Companies and Industrial Facilities

Consultation on selecting sites to visit

Provision of information on companies and public facilities that accept visitors

*Please note that we do not provide consultation to individual companies regarding their business. We will not cover the costs of business events, site visits, etc.

Eligible Parties

Embassies and consulates, state and municipal governments, as well as business organizations, such as chambers of commerce and industry that plan on sending business delegations to Osaka.

STEPS on how to use our service

1 Start Consultation

To contact us, please refer to the telephone and email details listed below. *Available in English

2 Consultant Support

Our consultants will ask you about business-related matters concerning your plans, expectations, etc.

3 Introduction to Partners

To organize events and company visits, we can introduce you to potential partners, as well as relevant private services.

*Please note that we may not be able to respond to all requests.
