シュンは、英語の時間にとった「好きなスポーツに関するアンケート」の結果について、発表をしています。

読んでみましょう。

Popular Sports

I asked, “What’s your favorite sport?” Look at the graph.

Baseball is the most popular sport in our class. Twelve students like baseball. I was surprised to know that baseball is more popular than soccer because more students are in the soccer club than the baseball club.

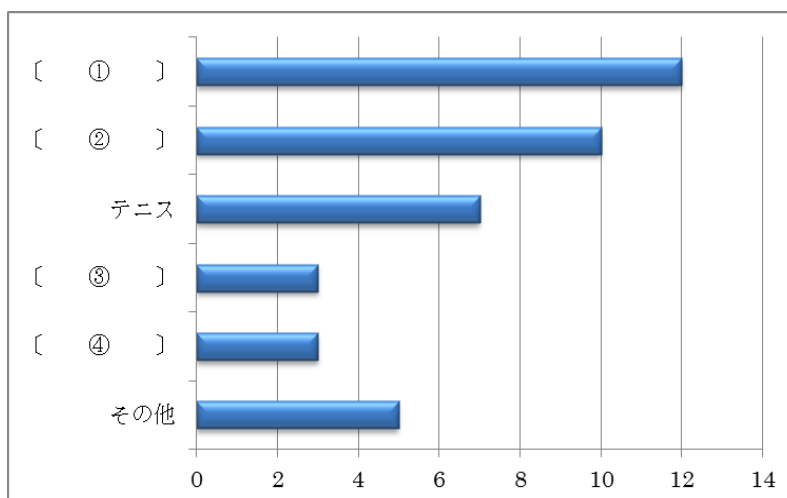

I am in the table tennis club. Table tennis is as popular as basketball.

I think table tennis is a lot of fun, so I want everyone to like table tennis more.

シュン (Shun) の発表の後、担当のジョーンズ先生 (Ms. Jones) がクラスの生徒に話をしています。会話を読んで、後の質問に英語で答えましょう。

Ms. Jones : Thank you, Shun. It was an interesting presentation.
I like watching tennis better than playing it. Which do you like better, playing sports or watching sports?

Keiko : I like playing sports better. I play softball in the club. Playing it is very hard, but it's exciting for me.

Kazuo : I like watching sports better. I am not good at playing sports, but I can enjoy many sports on TV, for example, golf, wrestling, skating, and so on.

Ms. Jones : How about you, Ryo?

Ryo : That's a difficult question. I like playing rugby. Playing rugby is fun. I also like watching it. I get excited when I watch a rugby game on DVD. I can't decide!

Ms. Jones : I see. How about you, ○○?
