- 1 Tom: Rika, this book was very difficult. I needed to read it many times to understand it.
Rika: How many times did you read it, Tom?
- 2 Good morning. It is cloudy now. It will start to rain from about 3:00 in the afternoon. However, it will stop raining at about 8:00 in the evening. It will be sunny all day tomorrow.
- 3 Jenny: Takashi, I need your help. Please tell me what we need to bring to school tomorrow. I missed the things our teacher said. Of course, we need textbooks. But, what else do we need?
Takashi: Well, Jenny, we need a dictionary for the English class. Oh, we also need the gym shoes which we usually wear in P.E. classes.
Jenny: The gym shoes? But we don't have a P.E. class tomorrow, right?
Takashi: We need them because we'll have a meeting in the gym.
Jenny: OK. Do we need color pencils? I think the art teacher told us to bring them in the class last week.
Takashi: Oh, we don't need them tomorrow. We need them for the class next week.
Jenny: OK. Thank you.
- 4 Hana: Hi, Simon. How are you?
Simon: I'm good, Hana. Oh, a festival will be held in this town. How about going with me?
Hana: Sounds nice. When will it be held?
Simon: It will be held this weekend and next weekend. Today is Friday, December the 16th. How about going tomorrow?
Hana: Well... I have a piano lesson every Saturday. How about this Sunday?
Simon: Oh, I'll meet some friends on the 18th. But the 25th is OK.
Hana: Well... I will visit my grandparents with my family on the 25th. Oh, now I remember the 17th is the last piano lesson of this year. So, I can go on Saturday next week.
Simon: Sounds good! Let's go on that day.

5 We are happy to meet you 12 students from Australia. I'm Eri, a member of the English club. I will explain what you can enjoy in our high school during your stay. First, you can enjoy club activities. In this school, there are 20 clubs, for example, soccer club and music club. You can choose three clubs. You can join the activities with the club members after school. Second, you can enjoy eating lunch at the school cafeteria. The most popular menu is special curry. It's very delicious! The special curry is sold only on Friday. You should try it. Finally, I'll tell you about the school festival. Each class will show a drama or dance on the stage in the gym. At the end of the festival, all the students will sing a song together. The festival will be held on the last day of your stay, so let's practice the song and sing it together. I hope you will have a lot of fun during these ten days at our school.

Question 1: How many clubs does this high school have?

Question 2: What is the thing Eri said about her school?

Yumi: Thank you very much. Actually, I worry about going to school alone tomorrow.
Mr. White: Oh, don't worry. You can go to school with my daughter. She is at school now, so when she comes back, you can ask her about school.
Yumi: Oh, good. I want to see her soon.
Mr. White: Are you tired after the long flight?
Yumi: No. I slept well in the plane.
Mr. White: That's good. Then, I'll show you inside our house first. Please follow me.
Yumi: OK.
Mr. White: First, let's go to your room. Here is your room. It is next to my daughter's room. In front of your room, here is the bath room.
Yumi: OK.
Mr. White: Next, here is the kitchen. We always have dinner at 7:00. Is there any food which you can't eat?
Yumi: No, there isn't. Thank you for asking. Let me help you prepare dinner.
Mr. White: Oh, thank you. I come back from work at about 5:30, and we start to prepare dinner from 6:00. If it's sunny, we sometimes eat dinner in our garden.
Yumi: Wow, that sounds fun!
Mr. White: Yes! It is fun. You can invite your friends for dinner. In that case, please call me two hours before dinner.
