令和7年度大阪府・大阪市・堺市・豊能地区公立学校教員採用選考テスト

中学校 英語 解答用紙 (3枚のうち2)

4 (1)	得		
		<u> </u>	

The most important thing in making goals and plans is to share these achievement goals,
instruction plans, and evaluation plans with students. No matter how hard teachers work
to set these goals and plans, if teachers don't share them with students, that leads to a
situation where students have to study every day without understanding the learning
route.
